MDC<sup>2</sup> specialises in developing,  
sustainable modern logistics  
facilities throughout Poland

MDC<sup>2</sup> is a Poland-based logistics and warehousing space developer and management company established in 2021 by seasoned commercial property professionals, Hadley Dean, Jeremy Cordery and Peter Love. The MDC<sup>2</sup> team currently includes 20 team members. The assembled team of MDC<sup>2</sup> partners has built over 3 million m<sup>2</sup> warehouses over the last 15 years. The company develops, markets and manages sustainable modern logistics buildings in Poland – the 2nd fastest growing logistics market in Europe. MDC<sup>2</sup> focus is put on the Polish market, on single asset base as well as a strong team with the routes of building and marketing the logistics and warehouse projects for the last 20 years.
